

You have an option.

**EXCLUSIVE NATURAL  
GAS PROVIDER TO  
BCRFA MEMBERS**

## SECURE A LONG-TERM FIXED NATURAL GAS PRICE AT CURRENT LOW RATES FROM CEG NOW!

ENERGY PRICES WILL REMAIN VOLATILE, AND ARE PREDICTED TO CONTINUE ESCALATING IN THE FUTURE.

### THE OPPORTUNITY

- ✓ The CEG fixed price simply replaces the variable Terasen rate on the Terasen bill
- ✓ Terasen rates have increased 250% in the last 10 years
- ✓ No other changes or charges apply

**CEG Supplies over 1,000 Restaurants  
in BC including many of the  
leading corporate chains.**

### HOW TO SIGN UP FOR A GUARANTEED FIXED-TERM PRICE WITH CEG

- **FIVE YEAR GUARANTEED FIXED PRICE:** \$8.69/GJ
- **START DATE:** August 1, 2007
- **DEADLINE TO REGISTER:** March 26, 2007

### STEPS

- ✓ Contact CEG to receive an Agreement and/or further information
- ✓ CEG will enroll you with Terasen and send a confirmation within 2 weeks

### We've Saved Our Customers up to 40% on Their Gas Bill

As a business, Bruce Meli of Pastameli's Italian Eatery Ltd. knows how important it is to control costs. *"Our relationship with CEG Energy has been without complications. Once we signed up with them, all we experienced was substantial savings. There were no hidden costs and needless to say we will be signing up with them when our current contract expires."*

Date: January 4, 2007

As a business, Peter Lim of Best Western Villager Motor Inn knows how important it is to control costs. As a member of the BCYHA, Peter was able to secure a preferred fixed rate. *"Controlling variable costs are essential to our success. Through our relationship with CEG Energy we can now predict with certainty a cost which historically was notoriously difficult to control...CEG Energy's ability to fix natural gas prices at opportune times has meant that our Inn has experienced natural gas savings in excess of \$3,900."*

*Gary Tremblay has worked with CEG Energy since 2001 to identify opportune times to fix natural gas costs for his Boston Pizza Restaurants in Western Canada. He opted for three and five year fixed pricing which has not only shielded his restaurants from volatility in provincial utility rates but has also yielded savings of \$153,408, a 25% savings over the utility.*
