The Eat to Beat Hunger campaign is on now until Nov. 30.

The BC Restaurant and Food Services Association (**BCRFA**) and the BC Association of Food Banks have teamed up to raise funds to help feed needy people in our communities.

Visit Richmond's Cimona Cafe, #210-3791 Bayview St. and you can donate to the Richmond Food Bank after your meal, either by cash or by adding it to your bill. At the end of the campaign, the Richmond Food Bank will collect all donations.
